

EXPERT CONSULTANT

ANDREW KNOLL, QEI Sr. Consultant | Inspector

Andrew Knoll started in the Elevator Industry in 1993 installing hydraulic elevators. His career has included developing skills in both customer service, training subordinates and managing service teams.

Since joining KJA in 2017, Andrew continues to use his experience managing modernization projects, maintenance reviews, procurements, and new installations of elevating equipment.

Andrew has years of experience both “on the tools” and in the office that he applies to serving national contracts such as Cadillac Fairview, Oxford, Cushman-Wakefield as well as local properties. He also has the following experience in management:

- Supervising mechanics, service crews and modernization work; and
- Commanding Officer in Canadian Forces, responsible for staff and operation of troops.
