

EXPERT CONSULTANT

ANDREW McLEOD, P. ENG., QEI New Installation Manager

Andrew McLeod joined KJA in 1998, and as a professional engineer, senior vertical transportation consultant and manager, he is currently involved in all aspects of KJA's national operations. Mr. McLeod has consulted on hundreds of projects with individual values ranging up to and above \$90M and is also strategically involved in various national programs for major national real estate and property management firms. Andrew has more than twenty years of experience working on complex projects of this size and nature.

He has completed hundreds of assignments for residential, commercial, institutional, and healthcare projects with costs exceeding \$1 billion, including many Infrastructure Ontario projects. Andrew is very familiar with the public sector and with infrastructure projects. He has been involved with hundreds of other elevator and escalator projects across Canada.

Andrew is highly involved with construction projects across Canada and understands the expectations and needs for both private and public center infrastructure projects respectively.
